Our New Website

If you haven't noticed, we now have a new website that is up and running. A great big thanks goes out to Jeff Schaefer, Smart Access Media. We hired his company a few months ago to work with us to create a more professional website that will meet our needs more.

A website like this takes a little more money, our goal is to bring in more Business members to help offset the cost to maintain it. We are asking that each member take a few minutes and speak with a business they know of and see if their interested in joining us. The application for membership is on the website, it can simply be download, filled out and mailed directly to us.

An organization like this only survives with the help of its members, lets keep this wonderful resources going by getting our community involved.

Our Business Members support us

Ensemble Membership

Silver Sounds Flute Ensembles rehearse weekly, on Sundays, in Redlands, and is directed by Jackie Aronowitz. Her goal is to provide an outlet for all flutists, who are interested in keeping their flute skills going. There is no age or ability restrictions. The music can be challenging enough to help you grow as a player, in a relaxed and nourishing environment. Larger flutes are provided for rehearsals and performances, allowing you the chance to experience them

New members are always welcome.
