

IEVFS

Inland Empire Valley Flute Society Monthly Membership Newsletter

Jackie Aronowitz, Events Coordinator

Members please read it, share it, and if you would like to add to it let us know.

Our goal; Communication!

Next Membership Meeting

Our next meeting is coming up on Sunday September 23, 2018 at 4pm at Jackie's home in Redlands. Our topic will be Ice Cream Social and Membership Drive. Bring a Flute Friend! The more the merrier!

We are also in our last stages of planning our annual flute festival. We need as much help as possible. Also, we are looking for donations for our Silent Raffle, anything is helpful, we can wrap if needed. We are a Non-profit, so your donation is tax deductible.

If you are not currently a member you are welcome to attend, and encouraged to join us officially. This is a great meeting to attend to help make a decision about us. Membership lasts 1 year from when you join.

Don't forget, we have great food at the same time, so how can you go wrong with food, flute, and a connection to other flute members in the community? We do a lot of good for everyone, and we are trying to bring more flute to this community! Come and support us by joining!

Let us know you're coming 909-335-1833.

Ensemble Members' Calendar

President's Corner

Hello everyone!

I hope y'all are having a great September!

Please join us for our annual Ice Cream Social! We didn't award a scholarship this year, so instead, we'll have a flute choir reading session, so everyone bring your flute. Also, we'll have a short business meeting to finalize some last minute Flute Masterclass details. I, for one, am very excited to attend, and I hope you will as well!

Please R.S.V.P. to Jackie Aronowitz so that we can plan food and festivities accordingly. Come to the meeting, we'll see you all there!

-Justin

Our Business Members support us

Please support them by visiting their website and using their services. Don't hesitate to mention where you got their name.

Monthly Tip

It's September, young people are heading back to school, and the rest of us are getting into gear for the fall/winter. Your flute is like a car in that it needs regular maintenance. Everyone should be servicing their flutes at least once a year, sometimes more depending on how much you play. How old are your pads? If they are over 10 years old, chances are they should be replaced.
