Dear Flute Society Members,

We have a fabulous opportunity to have Paige Dashner Long as a guest artist for a flute festival in October. Paige directs the New England Conservatory Summer Metropolitan Flute Orchestra and the Florida Flute Orchestra. She has led workshops in France, Germany and Mexico. She performs with the International Flute Orchestra and maintains a private flute studio. She owns one of only a few double contrabass flutes in the world. Although Paige's specialty is the low flutes, she looks forward to doing master classes with all flutes in our October flute festival.

You may be thinking, "Didn't we just have the flute festival in February?" The answer is, yes, we did. We made the decision to change the festival to October with the hope that this would give more people the opportunity to participate, and with the chance to have Paige, it seemed like a great time to start the October festival this year.

All this corresponds wonderfully with our annual membership drive! Yes, it's that time again—time to renew your membership. As you may or may not know, the Flute Society depends in part on membership dues to put on events like the flute festival so the sooner dues are paid, the better.

In order to keep your membership current, dues must be paid by September 1<sup>st</sup>. If you pay your dues by the 31st of July, however, your name will be entered in a drawing for a \$50 Starbucks gift card. Also, for every person you refer who becomes a member, you get an extra ticket put in the drawing, and if you refer a business that pays for membership, your membership is free.

We want you to continue to enjoy your membership benefits, so please send in your dues and the membership form as soon as possible.  
Thanks so much!
